GitHub : https://github.com/harshitThecoder123   **E-Mail – harshit110817@gmail.com**

SKILLS

Languages :   Python, C++ ,Java , R Programming

Tools :   Excel , Tableau , Powe BI , MySQL

Platforms :   Replit , VS code , IntelliJ , Github

Soft Skills :   Teamwork , Adaptability , Time management

PROJECTS

Python Password Generator : Github   **June-2024**

- Developed a Password Generator that helps user to generate random password.
- Allows User to generate random password of user choice and length .
- Asks user about password specifications of using Alphanumeric characters.
- Its up to user to include lowercase , uppercase or special character.
- Used Advanced Python skills.

Currency Converter : Github   **November - 2024**

- Developed a Currency Converter using C++ .
- Allow user to Convert from 20+ Currencies to another currencies.
- Firstly convert the input currency to standard currency i.e USD
- Secondly convert the USD currency to the desired currency.
- Used Libraries like <map> and <iomanip>
- <map> library used to include map and <iomanip> used for setprecision.

SUMMER TRAINING

Complete Data Science and Machine Learning Program – GeeksforGeeks   **May-2024 – July 2024**

- Learned about Advanced Python and its libraries like Pandas , numpy , Matplotlib
- Probability and Statistical Learning
- Excel , Tableau , SQL
- Deep Learning and NLP
- Machine Learning Algorithm like KNN , Naïve bayes , Decision Tree.

COMMUNITY DEVELOPMENT PROJECT   **June-2023 – July 2023**

- Participated in community development project on topic : Child Rights and Education
- Organised various drives to distribute Books and Stationary to Govt. school children
- Took Govt. school children to Imperial international academy school for science exhibition.

- Wrote a letter to respected SDM sir for improving infrastructure of the schools.
- Conducted a survey in villages to know reason of low Attendance in schools.
- Conducted various Sports Activities in schools to increase Attendance.

CERTIFICATIONS

- Cloud Computing - NPTEL   **November – 2024**
- Programming in C++: A Hands-on Introduction   **November – 2023**
- Complete Data Science program – GeeksforGeeks   **June- 2024**
- Data Structures and Algorithms - Udemy   **November -2023**
- Data Analysis with Tableau   **November-2024**
- Excel Skills for Data Analytics and Visualization   **April-2023**
- R-Programming from Johns Hopkins university from Coursera **April-2023**

EDUCATION

Lovely Professional University   **Jalandhar, Punjab**

B.Tech - Computer Science and Engineering | **CGPA : 7.58**   September 2022 - Present

Central Academy School   **Kota , Rajasthan**

Intermediate | **Percentage – 82%**   April 2020 – April 2021

Lucknow Public College   **Lucknow , Uttar Pradesh**

High School | **Percentage - 91%**   April, 2018 - March, 2019
